(a) *Definition.*

Services, as used in this subsection, is as defined in the Gross Receipts and Compensating Tax Act of the State of New Mexico, Sec 7-9-3(k) NM SA1978, and means all activities engaged in for other persons for a consideration, which activities involve predominately the performance of a service as distinguished from selling or leasing property. "Services" includes activities performed by a person for its members or shareholders. In determining what is a service, the intended use, principal objective or ultimate objective of the contracting parties shall not be controlling. "Services" also includes construction activities and all tangible personal property that will become an ingredient or component part of a construction project.
